What are the entry requirements ?

Postgraduate Course (MBA)

Minimum age of 21 Yrs, Bachelors degree in any discipline or equivalent qualification preferably from English medium background.

Undergraduate Course (BBA)

Minimum age of 18 Yrs, Higher Secondary certificate or equivalent preferably from English medium background.

ISMS does not conduct any separate entrance examinations. However students holding other management aptitude test results can submit the same for getting preference in our programs.

Students are selected based on their previous academic scores, their interpersonal skills and managerial instincts, which is analysed by personal/telephonic rounds of interviews.

English language support

PTE PEARSON TEST OF ENGLISH
Academic

We offer free language classes throughout the academic year to improve the student's language skills and help them become more effective speakers socially, professionally and academically. This course is designed and certified by Pearson Test of English (PTE) which has also been approved by the UK Border Agency (UKBA) towards UK Student Visa.

What will I have to pay ?

We aim to keep our fees competitive

We assess everyone individually during the application process as certain factors will affect how much you pay, but to get an idea of what your fees might be, please check our website.

A scheme also exist to allow payment in installments for students. Please contact the admissions office for more details on the dates and payment schedules.

Where will I live ?

In Pune

We provide accommodation facilities for our students within walking distance from the campus. All basic facilities like cot, beds, study table, racks and lockers are provided.

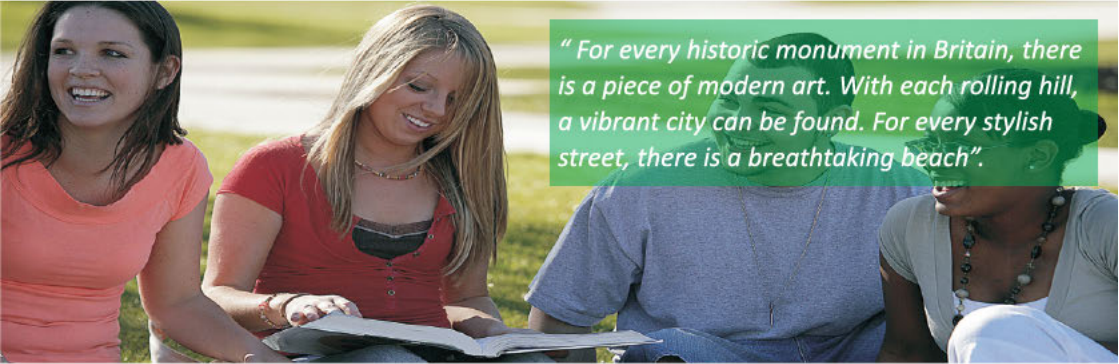

Students who wish to avail accommodation facilities need to inform the welfare office about their needs in advance at the time of the admission itself.

In the United Kingdom

Most international students are provided with university accommodations at their halls of residence. They are safe with 24 Hrs security, not far from the campus and great value for money.

If you prefer to live in a shared private accommodation, we can help you find a safe and comfortable home.

Our students who are already in the UK study for their Top Up MBA programs would be more than happy to provide you with all assistance in ensuring that you are well settled in the UK once you reach.

" For every historic monument in Britain, there is a piece of modern art. With each rolling hill, a vibrant city can be found. For every stylish street, there is a breathtaking beach".

What is it like to live in the UK ?

'UK life is an incredible mix of international cultures and contemporary thinking, held together by a strong sense of identity and tradition. As the UK is such a cosmopolitan society you'll find that many UK customs are already familiar to you – so you'll settle in faster than you think.'
